<b>dimensions</b>		
length	21 3/4"	55.2 CM
width	17 5/8"	44.8 CM
height	17 7/8"	45.4 CM

The NoMa MFE is a seat, an incidental movable surface, a stacking space-saver, and an indoor side table indispensable for use indoors and outdoors. "MFE" stands for Multi-Functional Element. It is mobile, lightweight, tough, handy, rustproof, and recyclable. Most importantly, what you see and touch is gorgeous and eco-friendly solid wood.
